

Hammelburg, 22 March 2006

Dear Ladies and Gentlemen,  
Dear participants in the European Land Robotic Event,

We are looking forward to welcoming you in Hammelburg at the German Infantry School in May. Our project team is working hard to complete the preparations for the "First European Land Robotic Show" to ensure that you will find the best possible conditions on the Hammelburg Major Training Area.

This does not only include the formulation of challenging and realistic scenarios, trails and the provision of an appropriate infrastructure, but also to free you from worries about your daily needs as far as we can.

As the Hammelburg Training Area is some way removed from the great shopping and gastronomic opportunities, we are presenting our offer of food and drink for the "ELROB 2006" event.

A cursory glance at the menu will reveal that we have been trying to submit an offer that matches the event and the host both in terms of variety as well as in reasonable pricing.

During the 20<sup>th</sup> calendar week we will establish up to three catering points in and in the immediate vicinity of the Bonnland Training Village, where you will be able to choose from a variety of offers.

Greifenstein Castle, the ancient Hall of the Knights will become a meeting place with a dignified atmosphere. Offering more than only snacks, the Hall of the Knights staff is looking forward to welcoming you and your guests.

The Hall of the Knights will be open from Monday, 15 May 2006 through Thursday, 18 May 2006, between 0800 hours and 2000 hours.

The Factory Hall at the southern edge of Bonnland also offers you more than only snacks daily from 0800 hours through 2330 hours as well as a daily special of a one- and a three-course main meal between 1100 hours and 1500 hours and an evening meal from 1700 through 2300 hours.

The Factory Hall will be open on Monday through Thursday from 0800 through 2400 hours. It will open on Friday from 0800 through 1400 hours.

On Thursday, 18 May 2006, we will open our Dining Tent in the immediate vicinity of the non-urban trail from 0800 through 1800 hours.

Here you will find a smaller selection of snacks and beverages.

In addition, we have come up with a special idea for the participants in the ELROB 2006

event. From Monday, 15 May through Thursday, 18 May, we are offering you our "ELROB Special of the Day". This includes the three-course menu of the day for lunch and a beverage (does not include wine or spirits) of your choice and the dinner of the day also with a beverage (does not include wine or spirits) of your choice at a price of €11 per day.

I trust that you will understand that we have to do some advance planning for such a fair-priced offer. Hence, please book the "ELROB Specials of the Day" no later than 28 April 2006 with an e-mail indicating the desired days and the names of the persons wishing to accept this offer to [ohghammelburg@aol.com](mailto:ohghammelburg@aol.com) .

When you arrive in Hammelburg and book in at the reporting point, you will receive the appropriate number of coupons against payment of the amount in cash.

Hoping that you will find our offer a fair one indeed in the best of military traditions, we are looking forward to meeting you

Yours sincerely,

The Infantry School ELROB Project Team
