SARS-CoV-2

We all know that the current situation is fragile and future developments are hard to predict. It has to be ensured that the event can take place even if the hardest hygiene and safety requirements might be introduced.

We hereby determine that all guests/visitors/spectators shall be fully SARS-CoV-2 vaccinated (or recovered) **and** shall provide a negative COVID19 (Antigen, PCR, **no self test**) test not older than 48h on first check-in at the site.

While this might seem harsh to some of you please remember that if the event is cancelled because of lax hygiene and safety measures EVERYONE'S work of the last few months is lost. Please be reasonable and help us to make this a safe and enjoyable event. Further information can be found here:
