# ELROB 2026

15 – 19 June 2026

Thun, Switzerland

## Team Information

Institution/Company: Hentschel System GmbH  
Address: Carl-Buderus-Str. 5  
30455 Hannover, Germany  
Telephone: +49 511 94992-0  
Fax: -  
Team Description: Hentschel System GmbH has been active in the field of unmanned ground vehicles for outdoor usage since 2012. We offer comprehensive knowledge and services in the area of hardware and software for unmanned ground vehicles. Independent of platform manufacturer, we implement vehicle automation according to customer specifications and offer our customers open data interfaces. Since 2012, our components have enabled the automation of more than 250 unmanned ground vehicles.

Sponsors: -

Selection of scenario:

- Reconnoitring (3D mapping & find OPIs)
- Mule (shuttle between two locations)
- Convoying (transport with two vehicles)
- Search & Rescue (SAR) / CasEvac (find and drag a dummy body)
- Reconnaissance and disposal of bombs and explosive devices (EOD/IED)

Proof of citizenship: A copy of team leader passport will do (will not be published)!
